BLONDE CLAM-BITION!

Dear Club,

I've always been a sucker for blondes since I had a teenage crush on Marilyn Monroe, and *Club* volume 43, number 4 didn't disappoint when it came to fair-haired girls. Dani, Brett, Anneli (a decent choice for Girl of the Year, I think), Lola and Zara all did it for me, although I don't want the brunettes to think I didn't do them justice as well. But, just as a one-off, any

chance of an all-blonde issue of *Club*?
Dougie, Selby

We're not sure how many of those girls are natural blondes, Dougie, but their fair locks certainly suit them. We might do an all-blonde issue of Club, but then we'd get letters of complaint from the legions of redhead fans and brunette admirers!

Dear Club,

I'm sure this isn't normal, but I can only really come to orgasm when I fuck outside in the open air. Whenever I see shoots in your magazine with models outside, I fantasise it is me and that the cameraman puts down his camera after he's finished and fucks me hard on the grass or, even better, the pavement! I don't know where this has come from, but it makes for some very interesting Friday nights and some very surprised and grateful blokes!

Just the other week, I left a bar late with some bloke who had been buying me drinks all night. I'm sure that he was hoping for a bit of a snog and a grope, and then maybe my number afterwards. However, I take my chances where I can get them. As we walked to the night bus stop, we took a little detour down an alley, and I pulled him back into a cold stone alcove, only just out of sight from the street. Undoing my own blouse, I revealed my tits to him and let him watch as I rubbed and tweaked my brown nipples until they were rigid. He leaned in to get at them, but the palm of my left hand held him back, whilst my other hand went up my own skirt and into my pants. Closing my eyes and running my tongue around my lips as I pleased myself, I could hear him catching his breath, as he mumbled drunkenly, "You're fucking gorgeous".

I then took his hand and replaced mine with it at my pussy and he instantly forced two fingers deep into my snatch and eagerly clamped his mouth around my chest. I freed his hard-on, and was happy to feel a good girth, as I tossed it off quickly. Tightening my grip, I then rolled the tip of his dick between my thumb and forefinger. I could feel his excitement as he chewed at my nipples and thumbed my clit, still with two fingers inside me.

"If you really want to, you can fuck me," I innocently offered, knowing that this would turn him on even more. He was putty in my hands, as I made it seem like I was doing it just for him. Pulling my panties clear of my ankles and hoisting myself onto his fat dick, he cradled my arse, allowing me to lift my feet off the floor and wrap my thighs around him. He went at it like a man possessed, driving my bum back against the cold wall, which is just what I like. My blouse was on the floor, my tits were bouncing freely in the dark and his fingers were reaching around into my little bumhole.

MAYE POLE!

Dear Club,

There are certain kind of photos I like in *Club* (and the other mags I read), and certain photographers who know how to pull them off. But I think that photo of Dani at the bottom of page 48 [in *Club* 43.4] might be in my top ten of all time. Long legs, socks, bum in the air, a playful smile, eye contact – it ticks nearly every box I've got. More of that, please!

Jay, Burnley

When you work with Dani, this is the kind of sexy magic you get all the time, and that photographer certainly got the best out of her. It ticks most of our boxes as well, apart from the box called 'Dani then lowers herself slowly onto our erect cock', but we live in hope!

Pulling myself against him, to gain the right position, I then relied upon his strength as I bounced up and down against his dick until I felt a warmth come over me. He was grinning as I widened my thighs, my arse rubbing against the stone wall, producing an amazing orgasm. Feeling totally satisfied, I steered his dick from inside me, knelt on the ground and tossed him off over my tits, sucking him clean whilst I rubbed his cream into my breasts.

I didn't bother to clean myself, before putting my blouse back on and I left my pants on the alley floor. When he put me on the bus, he must have thought it was all too good to be true, and I'm sure he ran home to tell all his mates. Little did he know that I probably enjoyed it more than him!

Toy box...

Xola returns to *Club* by popular demand, with several readers demanding another sighting of this diminutive sex-doll, and some of them questioning our sanity in not having this girl in every issue. We'll let Lola herself explain.

"I haven't been posing for photos," the Euro babe reveals, "because I've been a bit too busy with my hardcore career. I've been doing lots of lesbian stuff and a little bit of boy/girl as well. If you know where to look, you can see me doing some pretty rude stuff. And I enjoy it so much I'm going to do a lot more!"

See? We're not getting in the way of that... ♣

JJ's DD's...

Jesse Jane has been at the top of the porn game for some time, her contract with A-listers Digital Playground seemingly never ending. What's the secret to her success?

"A high sex drive! I think you can tell the

girls who are phoning it in and they don't last long. My passion for sex is enormous and I think that comes across in my performances. If I ever feel tired before a shoot, I just tell myself I'm going to get licked and fucked all day long!" ♣

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

TANYA'S TUSH!

Believe me when I say that cheating on Liz was the last thing I ever wanted to do. She's a sweet little thing and is almost perfect. The one thing I'd love to change about her is what she's like in bed. The truth is, she's boring. If I'm lucky, she'll let me fuck her on a Sunday morning and even then it's strictly missionary position, under the covers. There are weeks where I don't see her naked, which is a real shame as she's got a wonderful body and there are all sorts of naughty things that I want to do to it.

That was how I came to have sex with Tanya. Tanya is a receptionist at my gym and she made it abundantly clear that she would like to fill in for the lack of sexual service I was getting from my girlfriend. "My job is to make members happy," she'd said.

"Any chance of making my member happy?" I quipped.

"I'd do my best," she said, flushing prettily.

“My cock was aching to try, so I bumped the head against Tanya’s bumhole with my finger in there”

That offer became something of an obsession during my wank fantasies. I don't know how I came to admitting my problem with Liz but it was a thrill to admit to the wank fantasies which followed.

"Mmmm, sounds like fun," Tanya said. When a walking, talking wet dream of a girl says that she thinks you fucking her as part of your gym workout is fun, you really can't help yourself. "You'd be having a shower anyway, so Liz would never know. It's not as though she'd be able to taste my pussy on your lips afterwards." My heart beat a lot faster and my cock started inflating. We were standing at the reception desk and really shouldn't have been having that kind of conversation. "You'd have

to make sure you got all my lipstick off your cock, just in case she looked."

I was hard and in my gym attire there was no hiding that fact. "Goodness," Tanya exclaimed. "That swelling looks like it could be serious. Would you like me to take a look at it? I'm fully qualified." Tanya's pert tits, sweet arse and filthy mind meant she was

more than qualified in my mind and I let her lead me to the treatment room.

She flicked the sign to occupied and locked the door behind us. "Now let's have a proper look," she said, pulling my shorts down so enthusiastically that she nearly fractured my penis. Any pain was washed away the instant Tanya took my cock into her mouth. It had been months, if not years, since I'd had a blowjob and I was entirely incapable of resisting Tanya's enthusiastic sucking.

"Oh fuck," I groaned, as I came after only a few seconds and started pumping into Tanya's mouth. Her only reaction was to swallow repeatedly, as though I was providing nectar from the gods. As she finally withdrew,

there was indeed a red ring of lipstick around the base of my shaft.

"Make sure you wipe that off before Liz sees it," Tanya said, squeezing the last of the spunk out of my deflated cock. As soon as she was satisfied that I was finished, she jumped up, kicked her trainers off and pulled down her tracksuit bottoms. The tracksuit had been entirely shapeless but I wasn't surprised to see a pair of perfectly toned legs as Tanya sat on the examination table.

"My turn," she said, spreading those sporty legs to reveal a gorgeous pussy. My eyes were out on stalks; I'd never had a girl behave like this before. "If you're good, I might let you fuck me next time." I really didn't need any encouragement but the idea of fucking Tanya did have me scrabbling down between her legs and focused my attention on pleasing her. I spread her labia and smiled as I saw that the pinkness inside was shiny with sex juices. I wanted to taste her and ran my tongue up the length of her pussy from the dark hole of her vagina right up to her clitoris.

"Fuck, yes!" Tanya exclaimed, as her fingers gripped my head and pushed my mouth against her pussy. I sucked and licked with all the enthusiasm I was feeling. Liz had never let me lick her pussy in all the time we'd been together, despite me practically begging to do it.

"Use your fingers. I need something inside me." I unleashed a flurry of tongue-jabs on Tanya's clitoris as I eased two fingers into her slippery hole. "Oooh yes, just keep doing that," Tanya instructed, and I did as I was told – except that I started rubbing my thumb against her arsehole. Tanya didn't say anything but I could feel her body pressing down. Was she trying to get my thumb into her arse? I pressed harder and heard an excited moan. Tanya's juices provided just enough lubrication and it went in. "Oh fuck!" she squealed, in a voice which was an octave higher than it had been.

Tanya's hips detached themselves from the table and started to dance against my mouth. "You're going to make me cum," she groaned, just as a gush of liquid filled my open mouth. I rode her hips, trying to ignore the pain of her fingernails digging to my scalp. At least Liz wouldn't see any marks there.

"Good move with the thumb," Tanya groaned, not moving from where she was slumped on the table. "Really good." I stood up, thinking that the session was over. Tanya looked at my crotch. "Now I can't let you go out there with that bouncing around. We'd be sure to get some complaints." Tanya was smiling as she eyed my erection. I moved up the room and offered my cock to Tanya's mouth. She wrapped her hand around the

shaft and caressed it gently. "I think I'd like to feel this in my arse," she said, as though it was something entirely normal.

I swallowed. "Your arse?" I whispered hoarsely, thinking that I must have misheard. "There's some muscle rub you can use," Tanya said, rolling so that her front was pressed against the table with her bum high in the air. It was like a soap dispenser and I looked at myself in the mirror thinking what a lucky bugger I was as I squirted it on my hand and coated my cock.

The faint crinkle of Tanya's arsehole was barely visible as I moved in behind her. She jumped as I smothered it with cold gel. Would she really let me stick my cock in her bum? I started with a finger, feeling her muscles clenching as I pressed it deep inside. It looked fucking hot and I desperately wanted to do that with my cock. My cock was aching to try, so I bumped the head against Tanya's bumhole while my finger was still in there. "Do it," Tanya instructed and I extracted my finger and pressed in hard, guiding my cock with my fingers and thumbs.

I'd never had anal sex before and was surprised by how difficult it was to penetrate Tanya's arse. The lubricant meant that my cock slipped in every direction other than in and it wasn't until Tanya took over that I finally managed to force my cock into her arse.

When it did go in, it went in with a whoosh, right down to my ballsack in one go. Tanya gasped. "Fuck, that's tight," she groaned. "I've never had a cock as big as yours in my arse before."

I couldn't stop looking at where my cock was buried in her bottom. I never thought I'd get to have anal sex and tried desperately to commit every detail to memory in case it didn't happen again. Tanya pulled herself forward, exposing more and more of my shaft between her lovely buttocks and then eased herself back, hiding it once again. The view was spectacular. I pulled my cock back, mimicking the speed of Tanya's movement and then eased it back into her. "Mmmm, that's perfect," she said. "Just fuck my tight little ass like that."

I did exactly as I was told, simply easing my grateful pole in and out of Tanya's arse exactly how she wanted it. It wasn't enough to make me cum but I knew that the memories would give me more and harder orgasms for the months and years ahead. It was a good job I'd cum from the blowjob before, otherwise I'd have lasted seconds. As it was, I could now enjoy the tightest ride of my life. Tanya rubbed her pussy and as her

back arched, I was treated to the entirely new sensation of having an orgasming arsehole clenching wildly around my cock. I got myself very close, but couldn't quite get myself off, so pulled my cock out and wanked myself until I sprayed my load right onto Tanya's winking arsehole.

"That was... perfect," Tanya said, searching for the word. "I've never really enjoyed anal sex before. Has Liz ever let you?"

"No," I said. "Liz doesn't really let me do anything."

"Well, I'll let you do anything," Tanya emphasised the last word. "We could make it a regular part of your workout routine, if you want?" It wasn't really a question that needed answering.

GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

Billie Piper did show us some lovely bum in *The Secret Diary of a Call Girl* but, because she was pregnant during much of the filming, there was a fair amount of body doubling as well. She has no such qualms in new series *Penny Dreadful* – a show that seems to pretend that *The League of Extraordinary Gentlemen* didn't have the same idea years ago. Eva Green is nude in it but, praise the lord, so is Billie. And yes, we'd definitely pipe her... ♣

CARLA ♣

Cox's Pippins!

We interviewed Carla Cox just after these photos were taken and, trust us, you haven't shifted uncomfortably in your seat to hide a sudden hard-on until you've heard the Czech porn star intone, "I love

cock!" in her rich, Eastern European accent. We're not sure if she noticed, but then she probably did it on purpose. It would have been nice if she'd taken care of it but, then again, that kind of stuff only happens in porn films, not in Hersham... ♣

What our well-placed moles are telling us this month...

DOWN THE WIRE

BACKSIDE BULLETS!

Though a shopping trip can end up burning a hole in your back pocket, there is no need to take the saying too literally. Late on a recent Thursday, a man shopping in Brighton, Michigan, went to pay for his items at Home Depot. On reaching for his wallet he accidentally grabbed his gun and the 40-caliber Glock fired, resulting in a

terrific pain in the arse. The 32-year-old, who has not been named, was taken to hospital and treated for minor injuries to the derrière.

BANK OF BANE!

Looks like Denver has got its very own take on a Gotham nemesis. Dubbed the "o2 Bandit", a black man between 50 and 60 years old, of medium build, is believed to have held up three banks in the last month whilst hooked up to an oxygen canister. According to reports, the M.O of the medically masked suspect is always the same: he enters the bank, hands the cashier a note and toddles out with the cash and oxygen tank in tow. Makes a change from a balaclava, we suppose.

GUILLOTINE!

Ever tried jousting with a dildo? Neither have we, but clearly these two feel a fight is not a fight without a sex toy skirmish. Lakenya Bristol accused her ex-girlfriend, Regina Watts, of decapitating her favourite toys. Bristol was arrested in mid-November for domestic violence, shortly after Watts packed Bristol's possessions and told her to leave. Later, when going through her belongings, Bristol reported that the heads had been cut off her three dildoes. Indian River Investigators are halting their probe due to lack of evidence.

BANANA MAN!

28-year-old Damu Guptu boarded a train from Mumbai to Gondia on the 22nd of December and, during his trip, snatched a gold chain from a fellow passenger. The victim cried out for help, prompting several passengers

to chase Guptu, who was quickly detained. Guptu denied theft of the chain but he had been witnessed swallowing the item, which was later discovered by ultrasound. Rather than waiting for the chain to naturally pass, the authorities reportedly fed him 96 bananas to hurry the process up. Later recovering the item from Guptu's stool. Ugh. ♠

IBIZA FEVER!

I've got my airline ticket already booked and in a few months, when term ends and I've graduated, I'm heading for University central – Ibiza. It's the wildest place this side of the moon! Everybody knows it's the place where hot and horny student girls take a break after studying, and if last year was anything to go by, this is going to be one hell of a party!

An example: three chicks, one bed, a bottle of French champagne, and me. Lucy, a redhead philosophy student, was teasing me with a flamboyant strip routine, while her blonde friends Ellen and Jodie (studying literature and performing arts, respectively) made out on the bed. I guessed they'd played around with each other before, they were obviously loving it! For a little while I just kicked back and wanked myself off, slowly and deliberately, not wanting to get too worked up too soon. Ellen and Jodie were still at the kissing stage, so I watched Lucy

turn to face the rear wall and pull off the fishnet black panties that she was only just wearing! Oh man, what a cunt she had! Being a natural redhead she'd done the decent thing and shaved her fur totally off. It was all smooth, pale and peachy, just like her bum, with these little pussy lips just peering out at me. I didn't want to be rude or anything, but I wasn't ready to dive in there yet. Sometimes you just have to take your time!

I picked up the phone, called room service and ordered up a couple of bottles of champagne and a selection of chocolates. To hell with it – I figured my overdraft for next term would cover the cost!

When it arrived, I popped the corks and made a toast, "To cunt, cock, champagne and Ibiza!" then I gently pushed Ellen back onto the bed and took a swig of the

sweet nectar in my glass. Holding it in my cheeks, I pulled down Ellen's panties, parted her legs and dived in with my mouth. I opened my lips just at the second that I made contact with her hot little cunny. The champagne mixed with her pussy, and I kept it from dripping down by locking on to her furry cup like a limpet. Ellen juddered as the cold bubbly fizzed on her skin. I slipped my eager tongue into her flavoursome tunnel. I could tell just from looking at her what kind of effect it was having, because her nipples went from soft and relaxed to rock-hard, just as her pussy muscles gave a cute little twinge around my mouth.

The other two girls soon stripped and laid on the bed beside Ellen, waiting for their turn. I reached into the ice bucket, pulled out two frozen cubes, and teased them around the clit of each girl while I sucked away between Ellen's legs. A few seconds later I pushed an

“**Lucy started pouring the champagne over Jodie’s bum while Ellen lapped it up”**”

ice cube up into each of their pussies.

I’d heard about this ‘hot and cold’ thing you can do when you’re fucking, and I thought I’d never get a better chance to try it. One of you has to warm your sex parts up while the other one cools theirs down. When you stick your dick into the girl’s pussy, the difference in temperature is meant to feel phenomenal. I tugged myself for a second or two just to get myself extra-hot, and then I opened up Lucy’s juicy flaps and drove my dick home. She squealed and thrashed about on the bed like she was drowning or something! Well, the ice cube was still up there, but it had turned to water by now and was finding its way out of her plugged-up hole, so the bed was getting to be almost as wet as the hotel pool!

I thrust in and out of her for a while before I thought to try the same thing with Jodie, but her ice cube had already melted in her hot little cunt, so I reached in to the ice bucket and pulled out another cube, while I told the little slut to make like a doggie and get on all fours. She pulled her pussy lips apart for me, but I had another idea. Taking the champagne bottle, I poured some down her arse-crack. It followed her contours, pooling around her arsehole before

running further down to her pussy opening and then dripping onto the bed.

Ellen saw what I was doing and angled herself underneath Jodie, so that once the champagne river had run its course she could drink it all up and taste its new improved flavour! I handed the bottle to Lucy and asked her to pour once I was inside Jodie, then I pulled apart her buns and thrust that ice cube right up her brown eye! Before she had time to squeal and maybe clench her cheeks so hard that the cube came out, I followed it with my dick. We were sure making some cocktail – my cock, her tail and a touch of ice!

Lucy started pouring the champagne over Jodie’s bum while Ellen lapped it up along with having a sneaky suck on Jodie’s clit. The champagne coated my dick as I pulled it back, then got pushed up Jodie’s arsehole. I kept thrusting right up that little tramp’s chute until my Titanic finally hit the iceberg, and then it felt like fireworks were going off! My spunk felt hot, her arse felt cold and the champagne made everything kind of fizzy.

The bad news – or maybe it was a good thing – was that the girls left Ibiza to head home the next day, so myself and my Uni mates decided to take it easy, hang out by the pool and, well, look at hot babes passing by.

My friend Aaron caught the eye of a really fit-looking brunette who, he told me, he'd seen around but hadn't got around to talking to yet. She smiled at both of us and sat down on her sun lounger across the pool from us. Aaron tried comically to mime the act of putting on sun lotion and then pointed at our new friend. She got his meaning and smiled again, reached to pick up her bottle of lotion, and squirted it seductively all over her chest, before slowly and tantalizingly rubbing it in, teasingly putting her hand down her bikini bottoms and pulling a naughty shocked face.

The couple sitting on the nearest sun loungers to her got up and left, so I pointed to the seats and to us. Our sun-worshipping babe nodded, so we rushed over. There was still a distance between our new seats and the girl, so we maintained the miming communication, as it was kind of fun and it was making her laugh. We even managed to

“ Aaron got her cunt while she put her sweet pink lips around my meat and sucked me off”

work out what she wanted to drink, and got the waiter to take her one over. I don't know whether she was grateful for the drink or just feeling saucy, but she rolled over onto her front and undid her bikini top. It looked to

everyone else like she was just getting sun on her back without a tan line, but then she smiled and rolled towards us ever so slightly so that we could just see a hint of nipple. She tweaked it and licked her lips. I put my hand on my dick, over the top of my shorts and she licked her lips more deliberately. I rubbed up and down my bulge once while looking her straight in the eye. She did the same to herself. Aaron mimed for her to pull her panties aside, but she looked around at the busy pool and coyly shook her head.

Then I suppose she had an idea. She

wrapped her towel round her and smiled. She wiggled around a little and the next thing I know is that her bikini bottoms fly over to where Aaron and I are sitting. Naturally, we took it in turns to sniff them. There was a little patch of white girly cum on them, which Aaron licked off. Then the girl opened her legs. The towel hid her delights from everyone else, but we could see right up it. What a view – and I didn't mean the ocean! Although by the glistening that was going on under the towel it looked like she might be even wetter! As she opened her legs wider still, her cunt lips parted and we could see into her pink little hole.

It was too much. I mouthed my room number at her and made it clear that she understood before Aaron and I left the pool and went up to my room. A couple of minutes later there was a knock at the door. Aaron opened it and there she was, with her finger on her lips in a kind of 'shut up and both fuck me' pose. So we did – one of us at each end! Aaron got her cunt while she put her sweet pink lips around my meat and sucked me off. Then we swapped around. It was pretty odd fucking a girl in front of a friend of mine, but in a way it made what she was doing even nastier, and I guess we both got off on the fact that most girls wouldn't act like she was.

Aaron got to pop in her mouth while I filled her cunt up with my seed – she was overflowing from both ends. Aaron even managed it again, taking her up the arse while I contented myself sucking on her tits.

When I asked her name, she smiled, put her finger on her lips again, and left the room. Another little darling who was up for a great time, but didn't expect an engagement ring! You can see why I plan to take my summer in Ibiza a good few more times before I settle down!

Geoff, Warrington.

JENNY-TALIA!

Being a good old-fashioned cock-loving lass, I've never indulged in full-on lezzie sex, although I've often wondered what oral sex with another girl would be like. I reckon loads of girls must've wondered about that.

Well, I finally got my chance to find out last Thursday. My mate Jenny and I had come

her pussy lips and thirstily lapped at the thick love juice oozing into my mouth as she rubbed her crotch hard against my face.

Pretty soon Jenny was climaxing over me and I frantically wanked my clit as she dropped into a squat so I could suck on her tits, while she leant down to help me frig off. She licked her own cum juice from my lips and chin as she thrust a finger into my cunt, while I continued rubbing my clit till I came over her hand.

I'd never realised before what a dirty bitch Jenny was, but then I reckon she probably thinks the same of me! Both of us were a teensy bit embarrassed in the morning, but I'm glad I now know the joy of having a woman's tongue inside me. If I'm ever without a fella in the future, I know just what to do to relieve my sexual tension – have a girls' night in!

Geraldine, Norwich. ♣

“She stood astride me, yanked aside the gusset of her knickers and pushed her lovely shaven twat right into my face”

back from a club to my flat to sleep off all those Bacardi Breezers. But first we put on some music and were dancing around my living room like a right couple of dizzy mares, when Jenny suddenly pulled up her top like a stripper starting her routine. I must admit, the sight of her lovely, firm bare tits jiggling about in front of me got me quite excited, and I started to egg her on. Breezers will do that to a girl!

By the time Jenny was gyrating before me in nothing but her stockings, heels and panties, I was as horny as anything.

“Fancy a feel?” Jenny said with a wicked grin, as she cupped her breasts to offer them to me. I wasn't going to pass that up, and I grabbed her tits, then pulled her towards me, kissing her full on the mouth. We fell onto the sofa, and Jenny sneaked a hand up my skirt, then started rubbing my pussy through my panties.

“Hey, ever licked a girl out?” she asked, and before I could reply, she stood astride me, yanked aside the gusset of her knickers and pushed her lovely shaven twat right into my face. Her delicious musky smell turned me on even more, and I jammed my tongue between

Lass Angeles...

Cassie won't tell us where she's from – "A small-minded small town full of gun happy redneck fucks," is how she puts it – but she'll wax lyrical about where she is.

"I love LA," she gushes. "It has this reputation of being soulless and shallow, but when you grew up where I did, it's the promised land. It's warm, sunny, full of glamorous boys and girls, lots of amazing bars, restaurants and parties. Oh, and it's the centre of the porn world. What's not to like?"

When you put it like that, nothing.

"Exactly. Come on over. Crash at my place!" ♣

CONNY ♣

What a shower...

Conny spends a lot of time in the shower. For one, hair that long takes ages to wash. For two, it's her favourite place to get off.

"Sex in the shower is great," Conny tells us, "but I'm also happy in here on my own! I can get myself from zero to orgasm in about two minutes if I position the jets of water just right on my clit. A little bit of help from my fingers and I'm good to go!"

Is there room for another?

"Oh, definitely. I can always make room for someone in my shower. We can get clean together, then get all dirty, and then start all over again. The only downside is that my water bills are really high!"

It's a small price to pay... ♣

AIDRA ♣

Fox rocks!

It's a swift return to the pages of *Club* for the fox that is Aidra, one that's happened so quickly we haven't even had chance to forward on her mail yet.

"Can't you guys hurry up," she demands, "I love a dirty letter! I'm hoping there are some juicy ones I can play with my pussy to. And if they've put their address in, I might just smear one or two with some of my cum and send them right back."

That's mighty kind of you, Aidra. You might notice that a few have what look like the Editor's handwriting, but don't be misled, it's a very common style of writing. He'd never do such a thing... ♣
